Nurture Greenhouse

February, 2025 - Plan on a Page

Acknowledging Country

The Seedlab Australia program acknowledges, with deep respect, the traditional owners of this land.

We pay our respects to elders past and present, and to the Aboriginal community that continues to care for Country.

Access to Propagate Academy Content and Lunch 'N Learns

For Cultivators that have gained ranging to support them in their first year to set them up for success

Launch

Regular 90 minute 'Nurture Greenhouse' on topics of value – with teaching and sharing:

- Onboarding Well
- Marketplace Review and Competitors
- Sales, Metrics, Interpreting the Small Supplier Report
- Promotions, Pricing and Planning
- Communications, Trade Partner Plans, Account Management
- The Range Review Process

Support as needed, including with Category Managers

Greenhouse 1: On-Boarding Well

- Nominate who from your business will manage onboarding and communications
- Understand all Woolworths material for onboarding - Use all the Woolworths tools and Seedlab Academy tools
- Gather all information required
  - Build your own checklist that fits your business
  - Check off all information
  - Check all information is correct
  - Give yourself quiet time to complete all relevant documentation required by Woolworths
  - Complete your checklist and diary communications
- Diary - all communications clear; ask good questions in a timely manner
- If there is a supply problem, communicate early and have a solution
- Communicate in any time of crisis prior to launch or during line fill and launch
- Check that your capacity constantly is meeting demand

Greenhouse 2: Market Place Review and Competitors

- Review in detail the marketplace and the competitor's matrix
- Has something changed in the marketplace?
  - What is new - products
    - How does the new product affect your market position?
  - What is new - branding, packaging, sizing
    - How does the change affect your product positioning?
  - What has happened in price for competitors
    - Is the price change directed at your product or at the market in general?
  - What has happened in the promotional space
    - Is this targeted at your product?
    - Is this targeted at the whole market?
    - Is it targeted at specific products in the marketplace?
    - Are my promotions clashing with those of other suppliers

Greenhouse 3: Sales, metrics, interpreting the small business report

- Evaluate your sales against budget, target, forecast
- Graphs and data
  - Do you fully understand the Woolworths target for your product?
  - What is the level of over or under achievement in sales?
  - What is the trend line position over a set period (quarterly) is it up or down?
  - What was the shrinkage in stores?
    - You supplied (x) that gave a sales potential of (z) Woolworths had sales of (y)
    - Potential Sales (z) – Actual sales (y) = shrinkage (loss)
    - You can do the same for-profit potential
  - How did your promotional plan affect sales
    - Are you gaining new consumers
  - What is your action plan to take to Woolworths?

© 2024 Seedlab Australia

Greenhouse 4: Promotions, Pricing and Planning

- Review the performance and effectiveness of your promotional plan.
- How well was your promotional plan activated (DIFOT and store tie up)?
- What effect did the promotions have on sales?
  - (Variance to plan)
- What effect did the promotional plan have on Woolworths margin expectation?
  - (Variance to plan)
- How do the promotions affect the sales trend line?
- What are others doing in the marketplace?
  - How does their plan affect your sales performance and promotional plan?
- How will you adjust the plan and deliver growth to Woolworths?
- Supplier deal proposal (Woolworths) revisit, review, rework, present change…

© 2024 Seedlab Australia

Greenhouse 5: Plan on a Page

Is the line of communications with Woolworths clear?

- Counterparts in place (Whose who in the zoo?)
- Account management
- Is the person dealing with Woolworths able to make decisions?
- Are communications timely, concise and meaningful?
- Are problems communicated in advance with actions to rectify the problem?
- Is your documentation and invoicing 100%?

Has a Woolworths Trade Partner Plan (Plan on a Page) been created with your CM at Woolworths?

- Metrics agreed and reporting method and times agreed
- Review dates set
- Meaningful, concise and factual

All communication is factual, concise and polite

Note: new content in Bootcamp on Category Communication
