February 2026 – Dealing with a Probable Delisting Notice

Acknowledging Country

The Seedlab Australia program acknowledges, with deep respect, the traditional owners of this land.

We pay our respects to elders past and present, and to the Aboriginal community that continues to care for Country.

Program for Today

Dealing with a Probable Delisting Notice – is there life after?

- Brief Intro: 5 mins
- Please introduce yourselves to each other – in the chat box (who, what, where)
- Specific learnings - 10 mins each:
  - Matthew (Nibblish, NZ)
  - Jason (ETCH Sparkling)
  - Rhona (Daily Good Immunity Shots, NZ)
  - Ambika (Spicecraft)
  - Janessa (Bask & Co)
- Discussion: led by Hazel and Russ: 30 mins
- Your Other Burning Issues: in chat box (come to Cuppa and Chat tmro!)
- Our New Content and Next Greenhouse: 5 mins, Hazel

Results from our New Content Survey

Top Needs:

- Structuring equity offers for strategic partners/influencers.
- External ranging: Finding opportunities beyond the major supermarkets.
- Scalability: Driving sales for unique products beyond in-store tastings.
